# NEWS FROM MRS. PENDLEY'S

## C L A S S R O O M

### Vacation on Mars Class Play May 25th 6:30 P.M.

Students have been working hard during rehearsal to memorize their parts for the play. It would be very helpful if families could help their children work on their lines, songs, and gestures at home. Please plan to bring a dessert to share on the night of the play. Please have your child in the gym at 6:00.

### Upcoming Events

SBAC-State Testing	05/08
Math Section	05/12
Open House	05/18
Field Trip	05/19
Class Play 6:30 PM	05/25

### UPDATE on STATE TESTING

Students did an excellent job on the ELA portion of the state test last week. I am so proud and impressed by their perseverance and effort. The new state tests are adaptive. This means that depending on the right or wrong answers a student selects on the test, the test adjusts the questions according to results.

This week we look forward to the Smarter Balanced **Math** section of the test. Tomorrow, students will take the adaptive portion of the test. This section will cover all of the standards that students have learned this year. On Wednesday, Students will take the performance Task of the test

**Please make sure your child gets plenty of rest and eat a healthy breakfast!**

**We plan to ROCK the TEST!**
